

## **Shattered lives - slips trips and falls campaign 2008**

HSE will be running a new campaign in February and March 2008 on slips, trips and falls in the workplace ([www.hse.gov.uk/shatteredlives/index.htm](http://www.hse.gov.uk/shatteredlives/index.htm)).

The aim of the campaign is to raise awareness of the risks and help those involved to take simple action that will prevent slips trips and falls.

More than 1,000 workers a month suffer a serious injury following a slip, trip or fall. The campaign is aimed primarily at those most at risk of a slip, trip or fall at work (eg construction workers, electricians, gas fitters other trades people) and those best placed to take action (eg site managers, kitchen managers and chefs, food retail staff, area and store managers, food operatives and their shift managers). However, slip, trip and fall accidents do happen in any workplace and we would urge anyone where slips, trips and falls are a risk to get involved in the campaign. To find out how you can get involved you can sign up for free regular updates by logging on at: [www.hse.gov.uk/slips/ebulletin/index.htm](http://www.hse.gov.uk/slips/ebulletin/index.htm).
